

GULF COAST
SPINE CARE
LIMITED P.A.

Dear Patient,

It is with a great deal of excitement that I welcome you to our practice. Gulf Coast Spine Care Limited P.A. was started to meet your health care needs in a new era of health care.

Traditionally, when you visit a physician, we ask a lot of questions about your medical history and your family. By the time we're finished, we've learned a great deal about you. We've enclosed a practice brochure that should answer many of your questions and help you feel more comfortable with us before you come for a visit.

We believe that the best medicine in the world is provided on a one-to-one basis in an open, friendly and compassionate manner. Please take a moment to look at the enclosed brochure and if you have any questions, don't hesitate to call.

I'd like to personally welcome you to our practice.

Sincerely,

Howard B. Cotler, M.D.
